Online Master of Science in Engineering Programs

Applicants to the online Master of Science (MS) in Biomedical Engineering, Mechanical Engineering, or Systems and Control Engineering program are required to submit the following materials and meet the following requirements before the designated application deadline:

- Completed [online application form](online-engineering.case.edu/biomedical)
- Bachelor’s degree (Bachelor of Science in engineering preferred)
  - Applicants with a non-engineering degree are required to demonstrate proficiency in calculus and differential equations
- GRE scores: Due to COVID-19 concerns, we have temporarily suspended the GRE requirement for spring - fall 2021 applicants
- Transcripts submitted in sealed, signed envelopes and mailed directly from the college or university to the following address:
  - Case Western Reserve University
  - School of Graduate Studies
  - Tomlinson Hall 203
  - 10900 Euclid Ave.
  - Cleveland, OH 44106-7027
  - Official electronic transcripts may be emailed to: [gradtranscripts@case.edu](mailto:gradtranscripts@case.edu)
- Personal statement of one to two pages detailing your purpose for undertaking graduate work and describing your study and research interests as they relate to your undergraduate and/or graduate study and professional goals
- Resume/CV
- Two letters of recommendation from professional or academic sources (non-family) who can assess your academic preparation, abilities and accomplishments
- Application fee: $50

International Applicants:

- TOEFL, IELTS or PTE scores*: International students whose first language is not English must demonstrate English Proficiency by submitting Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS) or Pearson Test of English (PTE-Academic) scores. See our International Applicants section for details.
