Online Master of Engineering

Applicants to the online Master of Engineering (ME) program are required to submit the following materials and meet the following requirements before the designated application deadline:

- Completed online application form
- Bachelor's degree (Bachelor of Science in engineering preferred)
  - Applicants with a non-engineering degree are required to demonstrate proficiency in calculus and differential equations
- Transcripts submitted in sealed, signed envelopes and mailed directly from the college or university to the following address:
  
  Case Western Reserve University  
  School of Graduate Studies  
  Tomlinson Hall 203  
  10900 Euclid Ave.  
  Cleveland, OH 44106-7027

  Official electronic transcripts may be emailed to: gradtranscripts@case.edu

- Personal statement of one to two pages detailing your purpose for undertaking graduate work. Your statement must also identify your first and second choices of technical areas from the four ME concentrations: Biomedical Engineering (EBME); Engineering Innovation, Management and Leadership (EIML); Mechanical Engineering (EMAE); or Systems & Control Engineering (SCS)

- Resume/CV

- Two letters of recommendation from professional or academic sources (non-family) who can assess your academic preparation, abilities and accomplishments

- Application fee: $50

International Applicants:

- TOEFL, IELTS or PTE scores: International students whose first language is not English must demonstrate English Proficiency by submitting Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS) or Pearson Test of English (PTE-Academic) scores. See our International Applicants section for details.
